PRESIDENT'S WELCOME

On behalf of the Camden Show Society's committee and members it is with pleasure that I welcome you to the 139th annual Camden Show. Once again, the committee has worked tirelessly over the last twelve months to ensure our community is presented with a spectacular show over two days packed with a diverse array of events that capture the essence of rural life in our district.

"Still a Country Show" has been the motto of the Society for many years. Our links to the past are important and agriculture has had an integral part to play in our regions history and will continue to do so well into the future. This year competitions will include Dairy and Beef Cattle, Goats, Sheep and Alpacas, Sheep Dog & Wood Chop competitions, along with Arts, Crafts, Cooking and other

displays in the Show Hall which are a true testament to the creativity and talent within our community.

The 2025 Show will have all the favourites returning such as Racing Pigs, Sheep Dog demonstrations, along with Reptile, Sheep Shearing and Milking displays presented at multiple times throughout the show to ensure everyone has a chance to attend. Two big days of family fun with many exciting events and something for everybody. As always, carnival rides will be operating throughout the duration of the show.

On Friday night, get ready for an adrenaline-pumping experience with the Rodeo brought to you by Xtreme Bulls. This exhilarating event showcases the skill and bravery of riders as they attempt to conquer spirited bulls, making for a thrilling spectacle that is sure to leave you on the edge of your seat. For those that wish to lay back under the stars to watch the Rodeo, make your way into the Main Arena to catch all the action on the Big Screen.

The Poultry Pavilion promises a feathered spectacle, showcasing an array of poultry breeds, along with our Farm Produce display in our newly refurbished pavilion. The two days of Show Jumping in the Main Arena along with many other Equestrian competitions provide great ringside entertainment for the whole family. Don't forget to drop into the Style Pavilion and Country Bar to peruse locally made wares and try locally produced delicacies and refreshments.

As the sun sets on Saturday night, prepare to be awe-struck by the dazzling fireworks display in the main arena presented by the best in the business - Foti Fireworks. This spectacular show of lights is a fitting conclusion to two full days filled with excitement and entertainment.

None of this would be possible without the generous support of our sponsors and volunteers. The Camden Show Society extends our heartfelt gratitude to each and every sponsor and volunteer who has contributed to making this event a reality. Your commitment to our community and its traditions is truly commendable. I encourage anyone who is interested in sponsoring the Show to contact our Office and start promoting your business in our region's largest community event.

We look forward to sharing with you the best entertainment and educational experience on offer in our district and beyond at the 2025 Camden Show.

RULES

Hendra Virus: Due to the serious nature of the Hendra Virus, the Camden Show Society and the RAS recommends that all horses be vaccinated against the disease.

PIC Numbers: As of 1st September 2012, people with horses on their property need to apply for a Property Identification Code - this is a biosecurity measure. PICs are assigned to individual properties and allocated by Local Land Service who maintain the register. You may already have a PIC if you pay rates to LLS. Forms can be submitted online through <http://www.lls.nsw.gov.au/livestock/pics>. Every Exhibitor bringing horses to the Show will be required to list each horse being shown together with the PIC for the property from which it has come on the

waiver form each day before competing. Waivers now also include a competitor declaration that "to the best of their knowledge each horse listed is fit and healthy". These rules shall apply in their entirety to any person who is a competitor/handler/owner or person responsible, for any horse that is in attendance at the 2025 Camden Show. It is the responsibility of all persons forementioned to ensure that he/she is familiar with these rules. It is the absolute responsibility of those persons to participate in accordance with these rules. Infringement of any rule will result in the Camden Show Society Inc. imposing disciplinary action against the offender which may result in the person/s being excluded from the Show/Competition.

Competitors are advised that at times multiple disciplines may compete in the same area including working horse classes, harness classes, driven classes and show jumping. All competitors/handlers/owner or persons responsible compete and/or handle horses at their own risk. The Camden Show Society Inc. accepts NO responsibility for any injury, death, loss to any person (competitor or spectator), livestock or property that may occur during the course of this event. In the interests of safety and event management all competitors and animal handlers are required to act on all reasonable directives by stewards, show officials and judges immediately.

Refusal of Entry/Alteration of Schedule: The committee reserves the right to refuse an entry without assigning any reason for doing so and to alter the schedule to meet emerging circumstances.

Conduct: The Camden Show horse events are staffed entirely by Volunteers without whom it would not be possible to hold the Show, so it is important that they are treated with the respect they deserve. Accordingly, the Camden Show Committee would like to advise competitors and their supporters of the following: rudeness and improper behaviour by competitors or their representatives will not be tolerated. Camden Show Volunteers, Stewards and Ticket Box staff have the right to refuse service to any competitor who is rude or abusive. This includes the right to refuse to issue insurance waivers and wristbands and entry tickets. Competitors who have been refused either wristbands or entry tickets are ineligible to compete at the Camden Show on either Friday or Saturday. Competitors or their supporters who behave in a rude or offensive manner while in or around the Show arenas will be asked to leave the arena or area and may be subject to further disciplinary action according to the Camden Show Society's Horse Committee Rules and Regulations. All entry forms, waivers and official paperwork must be filled in legibly and correctly for every Exhibit prior to entry, the Show may refuse entry or disqualify competitors if errors or omissions are identified regardless of competition being completed. The Show reserves the right to alter results including re-awarding prizes in the event of a disqualification after competition has concluded.

Competitor Numbering: All competitors will be assigned a unique number for use when recording competition results, all competitors are to complete a competitor nomination sheet providing the details for each rider and horse to be handed in to the ticket office. The ticket office will assign a unique number for each competitor which the rider or handler must present when requested during competition. All details on the form must be entered correctly and in legible handwriting, failure to complete all of the details or messy handwriting may result in competition results not being forwarded to the relevant parties after the Show. In the event that competitors details are un-useable Camden Show reserves the right to alter the results accordingly.

Event Tickets Online Purchases: Tickets for the 2025 Camden Show Horse Competition may be pre-purchased online through nominate at www.nominate.com.au, insurance waivers and competitor number sheets can be downloaded from the same site or www.camdenshow.com. Tickets are to be picked up at the ticket box in the Bicentennial Equestrian Park on the day of the Show. Insurance waivers and competitor numbers can also be handed in for processing when picking up tickets.

Event Tickets on Show Days: On payment of entry fees, event tickets can be purchased at the Horse Entry Booth. One ticket is required for each individual event. Event tickets will be collected by the ring Stewards for each event in the ring. Only competitors with event tickets will be eligible to compete in any event.

Participants Indemnity and Waiver: Any person in any area of the Camden Show Ground who is responsible for or in control of a horse, specifically, all competitors/guardians/handlers and any other persons entering the Main Arena, the Bicentennial Equestrian Park Competition Arena, the Rodeo Arena or any other area within the bounds of the Showground and Bicentennial Equestrian Park, must sign an Indemnity and Waiver issued by the Agricultural Societies Council of New South Wales for each day of the Show. This form will be available prior to the Show at www.camdenshow.com and on the day at the Horse Section ticket booth and must be filled in prior to purchase of event tickets. Upon returning a signed Indemnity and Waiver a wrist band will be issued. This wrist band must be securely worn when entering the ring as proof of compliance with the conditions described in the Indemnity and Waiver. No person shall enter the Bicentennial Equestrian Park competition arena or the Camden Show Main Arena without a wrist band on Friday or Saturday. Any person entering these areas without a wristband will be asked to leave the arena immediately. If they are currently in control of a horse they will be asked to remove the horse from the arena unless they correctly complete and sign a Participants Indemnity and Waiver form. Horses must not be tied to the arena fences. All handlers must be on the same side of the fence as the horse. If the handler is not in possession of a wristband the horse and handler will be escorted from the arena by a Steward.

Clashes: Please be aware that due to the complicated nature of the Horse Schedule and operation of multiple arenas there are likely to be clashes between some classes. We are aware of these and every endeavour has been made to eliminate them, where possible. However, due to horses having multiple registrations and the fact that with up to 9 rings in operation across multiple arenas many classes are run at the same time, it is not possible to eliminate all class clashes. Therefore, where these occur, the Exhibitor may have to make a choice between one class and the other. Your cooperation will be much appreciated.

Marshalling: Competitors for all events are to assemble in the designated marshalling yards and are only permitted to enter the ring once their event/class is called. When judging is complete competitors MUST leave the ring in an orderly manner. Please be advised that no events/classes will be held in order to allow competitors to complete an event in another ring. It is the responsibility of all competitors to read the schedule and understand the timing and location of their events/classes, and to make themselves aware of the progress of each ring, in order for them to be prepared for their event when it is called.

Health/Fitness of Horses: The Camden Show Society Inc. and our Honorary Veterinarian, reserves the right to inspect all horses upon entering the Show on arrival or whilst on the grounds. All horses deemed unfit by the Ring Master or the Honorary Veterinarian for competition will be withdrawn from the event. 2025 CAMDEN SHOW YOUNG WOMAN OF THE YEAR

Congratulations to the 2025 Camden Show Young Woman of the Year Ellen Stucki, proudly presented by D&M Land Management.

Ellen will be competing in the Zone 2 Final to be hosted by Kiama Show Society on Saturday 15th February 2025 for the opportunity to represent Camden Show in The Land Sydney Royal AgShows NSW Young Woman Competition at The Sydney Royal Show.

Ellen has an impressive leadership record, having been school captain both at Camden High School during her HSC year in 2020 and at The Oaks Public School in 2014. She is currently in the fourth year of her Occupational Therapy Degree at WSU and works outside of her studies as a learning support officer at a local high school. She also undertakes seasonal work judging and pencilling for showjumping events throughout NSW.

Ellen has a keen interest in animal welfare and has been a community management volunteer with WIRES for nearly two years, attending and assisting orphaned wildlife. She is particularly interested in wombat welfare and would like to use her role in the Camden Young Woman of the Year Competition to educate the community about WIRES and what she has learnt as a volunteer. Conservation management, advocacy and the preservation of Australian wildlife are issues close to Ellen's heart.

Ellen also volunteers as an Ambassador with Saving True Blues, an organisation that arranges 4WD camps for people struggling with their mental health. In this role, she promotes merchandise to raise money and shares mental health information to breakdown the stigma some people feel about their mental health. She is keen to promote Saving True Blues, a small charity started by a young woman in Penrith, during her time in the competition.

In her spare time, Ellen had a long career in netball and AFL that was cut short in 2022 when she suffered a knee injury that required a reconstruction. She has had her own horse since she was 12 years old and was a member of pony club when she was younger. She's grateful to have been able to get back into horse riding since her knee injury.

Ellen entered the Camden Young Woman of the Year Competition to raise awareness about the two issues close to her heart, the protection of native wildlife and assisting people to improve their mental health. She is looking forward to meeting new people, developing valuable connections and embracing new opportunities to become involved in the Camden Show.
